

June 2017 Transitions Engineering candidates (alphabetical by last name)

Civil Engineering (A-Z)			
First name initial	Last name	Candidate summary	Borough
O	Al Masalmah	<ul style="list-style-type: none"> Syrian degree in Civil Engineering (Equivalent to UK Honours Degree) 2 summer internships in Damascus as Site Engineer intern 1 year Administration assistant experience <p>Available for internship and Graduate trainee job</p>	Kensington & Chelsea
S	Mortezabi	<ul style="list-style-type: none"> Graduate civil engineer with five years' experience as a structural, project manager and inspector in Iran. Iranian Degree comparable to British Bachelor Degree, by Naric Worked on residential, school & leisure complex projects, including roads infrastructure <p>Available for position in construction/infrastructure Civil Engineering</p>	Barnet
K	Parvaneh	<ul style="list-style-type: none"> Iranian degree in Civil Engineering (Construction) (Equivalent to UK Honours Degree) 7 years' site project management experience in power and distribution CSCS & SMSTS card <p>Available for internship</p>	Camden
M	Rahmani	<ul style="list-style-type: none"> Graduate Civil Engineer from Iran (Equivalent to UK Honours Degree) 1 year UK construction site experience UK Level 3 Electrical Installation C&G Diploma <p>Available for graduate trainee hire or internship</p>	Camden

Civil Engineering (A-Z)			
First name initial	Last name	Candidate summary	Borough
S	Rihawi	<ul style="list-style-type: none"> 2014 – 2015 Construction and Project Management Post Graduate Diploma (Commendation), Queen’s University Belfast.ICE accredited. <i>Notable Modules:</i> Project management planning and control/strategic management and international construction/ Procurement and contract administration/ Construction Law: Contracts, tort and evidence and Dispute resolution methods 2011 – 2014 BEng Civil Engineering (Hons) Swansea University, ICE accredited August 2016 - February 2017 Internship (Highways), Arcadis, London Croydon Housing Project – Project Support. Set up layout/drawings for tracking, tracked and liaised with architect/client. Also included visibility splay drawings and various tracking as per architect/client’s request <p>Available for graduate training role.</p>	Kensington & Chelsea

Mechanical/Electrical/ Geoscience/other engineering disciplines/Architecture (A-Z)				
Occupation	First name initial	Last name	Candidate summary	Borough
Mechanical Engineer	M	Al Ahmad	<p>March – Dec 2016 Trainee Production Line Engineer: Rise Plastics Manufacturing, London. End of temp contract.</p> <p>4 years' experience in Moscow and Syria Engineer on factory production lines,. Designed graphics using Auto CAD and supervised staff operating of machinery, including weekly/monthly maintenance. Quality controlling and maintenance.</p> <p>Postgraduate Diploma Mechanical Engineering / Power Engineering 2009 Aleppo University, Aleppo – Syria</p> <p>BSc Mechanical Engineering / Power Engineering (Equivalent to UK Honours Degree) 2008 Aleppo University, Aleppo – Syria</p> <p>Available for Manufacturing/Production line support Engineer role</p>	Kingston on Thames
Electrical Engineer	M	Basola	<ul style="list-style-type: none"> • Requalified in UK with BSc Electrical and Electronic Engineering (2016 University of Derby) • Qualified in DR Congo, Industrial Electrical Maintenance, 4 year training • 7 years' electrical maintenance experience in Congo & South Africa including 3 years for Cable Railway Group • Sept 2016 Eurostar internship <p>Available for Graduate electrical engineer position, particularly in rail sector</p>	Enfield

Mechanical/Electrical/ Geoscience/other engineering disciplines/Architecture (A-Z)				
Occupation	First name initial	Last name	Candidate summary	Borough
Mechanical engineer (air conditioning specialism)	M	G. Soufi	<ul style="list-style-type: none"> • Syrian Degree in Mechanical Engineering (Power major), (Naric opinion equivalent to UK Degree) • 18 years' experience in Middle East, in technical and sales management, specialising in air conditioning (HVAC). • Aug 2016 – Feb 2017 Mechanical Building Services Design Engineer (6 month contract), Arcadis, London Contributed to compilation of database and improved accuracy & speed of cost-planning for major plant. This also allows instant analysis of submissions from subcontractors and ensures best value. Provided valuable support for the team with quantification & quality of MEPH services on the largest hotel project in London as well as high-end residential projects for both pre and post contract works. Supporting the Technical Due Diligence Team, advising lender and investor clients. Key role in analysis of plant quotations forming part of the creation of a market leading database for the Cost and Commercial Team. Measurement of quantities for cost plan compilation for diverse MEPH services. • 2014-2015 Regional Manager, GBEC (Global Business Executive Company), Saudi Arabia, Project-managed installation of HVAC systems for high profile projects including KAFD (rail depot) and the new headquarters of the Ministry of Education. • Available for Building Services Engineering positions, including HVAC systems. 	Brent

Mechanical/Electrical/ Geoscience/other engineering disciplines/Architecture (A-Z)				
Occupation	First name initial	Last name	Candidate summary	Borough
Petroleum/chemical engineer	M	Gibril	<ul style="list-style-type: none"> • 2016 Distinction level UK Masters qualified Petroleum Engineer • BOSIET safety standards accredited • Graduate in Petroleum Engineering, Sudan (Naric opinion equivalent to UK Degree) • 2 years' Petroleum drilling experience in Sudan <p>Available for Graduate engineering training position across sectors</p>	Camden
Petroleum Engineer	O	Hamouda	<ul style="list-style-type: none"> • 2013 Graduate from Sudan in Petroleum Engineering (Naric opinion: equivalent to UK Degree) • 2013-2014 (1yr) Trainee Engineer Sudanese Petroleum Pipeline Company from storage tanks to the next pump station. Lab duties included measurement points of products. • 2017 working as door-to-door salesperson <p>Available for Graduate engineering training position across sectors</p>	Newham
Electronic/control Engineer (female)	M	Jarkas	<ul style="list-style-type: none"> • Syrian graduate in electronic engineering, particular interest in control engineering • Proficient in MATLAB • Freelance lecturer and trainer in Instrumentation (measurement & sensors), Smart Buildings, cost-effective maintenance (mechanical & electronic) & total quality maintenance, Renewable energy technology • 6 months' experience as administrator of engineering services (Dubai) <p>Available for graduate trainee hire or internship</p>	Hounslow

Mechanical/Electrical/ Geoscience/other engineering disciplines/Architecture (A-Z)				
Occupation	First name initial	Last name	Candidate summary	Borough
Mechanical Engineer (female)	M	Mahaei	<ul style="list-style-type: none"> • Building services engineer with experience of residential and commercial (retail, hotels, office) projects including high-rise buildings. HVAC specialist. Managed projects from design to completion. • Conversant with all relevant BS and ISO EN Standards. • Bachelor Degree Mechanical Engineering, Iran (Naric opinion equivalent to UK Degree) • Aug 2016 – Feb 2017 Mechanical Building Services Design Engineer (6 month internship), Arcadis, London. <ul style="list-style-type: none"> ○ JLR (Jaguar and Land Rover) project: design of mechanical building services for refurbishment of site. Prepared RFI,TQ, load assessment, ventilation schematic and technical feasibility reports. ○ University College London School of Life and Medical Sciences refurbishment project: design of mechanical services for 10 refurbishment projects and preparation of feasibility reports. <p>Available for building services role</p>	Barnet

Mechanical/Electrical/ Geoscience/other engineering disciplines/Architecture (A-Z)				
Occupation	First name initial	Last name	Candidate summary	Borough
Mechanical (Auto)/Power Engineer	M	Malas	<ul style="list-style-type: none"> • 10 years' experience as multi-skilled Automobile Service Manager and Engineer, Saudi Arabia • 2016: requalified with UK Degree in Energy Engineering, City University, London • First degree in Mechanical Engineering, 2000, North Cyprus (candidate is Syrian) <p>Available for hire or trial-run internship in technical environment relating to energy, auto and mechanical engineering</p>	Brent
Petroleum Engineer	M	Muthana	<ul style="list-style-type: none"> • 2016 UK Petroleum Engineering Graduate, University of Leeds • Awarded EPSRC grant to conduct research on fluid regimes • 3 months' research trainee experience at University of Leeds on multiphase flow • Originally from Yemen <p>Available for graduate scheme entry using Analytical & Safety skills in range of sectors</p>	tba
Architect technician, construction project manager	S	Najafabadi	<ul style="list-style-type: none"> • 7 years' Architectural Technician experience in Iran. • Designed and project-managed build of hospitals, colleges, malls and residential complexes • Degree in Architecture, Iran (Naric opinion equivalent to UK Degree) • AutoCAD, Revit, 3ds Max • 2008-2013 Self Employed Architecture Technician, Iran Designed and project managed building of apartments, villas, restaurants. • 2007-2008 Samin-Iman Ltd, Iran Planning, designing, modeling projects: 2 malls, 2 residential complexes, and a hotel. <p>Available for Architect technician or site management position in London</p>	Camden

Mechanical/Electrical/ Geoscience/other engineering disciplines/Architecture (A-Z)				
Occupation	First name initial	Last name	Candidate summary	Borough
Aeronautics Engineer	M	Salih	<ul style="list-style-type: none"> • 2004-2008 State Flight Start Academy of Ukraine, Ukraine – Kirovograd Bachelor’s Degree in Aviation and Aeronautics (Honours) (Naric opinion equivalent to UK Degree) • Originally from Sudan <p>Available for Aeronautics or related training position</p>	Waltham Forest
Mechanical Engineer	A	Soltani	<ul style="list-style-type: none"> • Degree in Mechanical Engineering, Thermal & Fluids specialism. Iran (Naric opinion: Equivalent to UK degree) • Modules included Central Heating & Air Conditioning, Refrigeration System Design and Water Transfer Systems (designed a city water supply system) • 3 year’s experience as test and production engineer in oil sector, Iran • Seeking role within range of industries, notable renewable energy, hydraulics and health & safety <p>Available for Mechanical training position in range of sectors.</p>	Richmond on Thames

IT Engineering				
Occupation	First name initial	Last name	Candidate summary	
IT	R	Armoush	<ul style="list-style-type: none"> • Excellent knowledge of Android SDK and Java • Designed & developed own Android apps (66 apps on two stores on Google Play, 2 million+ downloads) • 5+ years experience of database design, development & maintenance of SQL Server • Strong knowledge of SQL server, MS SSIS, SSRS, SSAS • Java, C++, Pascal, HTML • IT Diploma, Syria • Native Arabic speaker <p>Available for software development, SQL or customer support positions</p>	Surrey
IT Network Engineer	M	Abbasi	<ul style="list-style-type: none"> • Network Engineer with excellent skills in Cisco IT Infrastructure • BSc in IT from Malaysia, specialism in Information Systems Security • 2 year's experience in Network Support, Malaysia • 4 years experience in Software installation, Malaysia <p>Available for trainee Network Engineer/Developer position</p>	Haringey

IT Engineering				
Occupation	First name initial	Last name	Candidate summary	
IT/BIS Engineer	G	Balwahan	<ul style="list-style-type: none"> • 2015 MSc Business Information Services, University of East London • Degree from Syria in Commerce/Finance (Naric opinion equivalent to UK Degree) • Programming: ASP.NET, ADO.NET, ASP Web Forms, JavaScript, CSS, XML, HTML, • AJAX, C#, VB 6.0 and T-SQL. • Database Design: Microsoft SQL, MYSQL, Oracle 10g, Microsoft Access. • Operating Systems: Windows 95/XP/Vista/7/8/10 and VMWare • 10 years employed by UN in Syria as Accountant <p>Available for BIS position</p>	Lewisham
1 st line support/software development	B	Kalinda	<ul style="list-style-type: none"> • Cisco Certified Network Administrator (CCNA 1-4) • Currently studying coding at Refugee 'Code Your Future' Coding School, London and codebar • Masters Information Technology, London Metropolitan University (2012) • Degree Information Technology, Uganda (2006) (Naric opinion equivalent to UK Degree) • 3 years' experience overseas as IT Helpdesk Officer • 9 months' UK experience as volunteer IT Support Officer • HTML, CSS, JavaScript, React, SQL/MySQL <p>Available for software developer or Helpdesk support position</p>	Croydon

IT Engineering			
Occupation	First name initial	Last name	Candidate summary
Software Development/IT Support	K	Gurmesa	<ul style="list-style-type: none"> • 2016 Masters in Information Technology (Merit), London School of Commerce • Ethiopian Degree in Computer Science, 2012 • 2 years' experience as Junior Programmer & Webpage developer, Ingenious Co, Ethiopia • Advanced user of HTML5 and CSS3, Bootstrap, JavaScript, jQuery, PHP, MySQL and Ajax <p>Available for Junior Developer roles</p>
			Newham
